

# Mobil SHC™ 600 Series

## What other gear oil do you need?

If you want more out of the lubrication of your gear box...

Exceptional  
equipment  
protection

Less  
maintenance

Energy  
efficient\*

and you're in one of these industries...

Manufacturing

Plastics

Paper

you need the Mobil SHC 600  
Series of gear oils.

### Did you know?

The synthetic  
Mobil SHC 600 Series  
is endorsed by over

# 500

builders for over  
1,800 applications

**3.6%** Up to 3.6% reduced energy consumption\*

Gear, circulatory and compressor oil

Easy start up

Long drain interval

Always refer to machine manuals for the final lubrication recommendation.

\*Energy efficiency relates solely to the fluid performance when compared to conventional (mineral) reference oils of the same viscosity grade in gear applications. The technology used allows up to 3.6% efficiency compared to Mobilgear 600 XP 460 when tested in the worm gearbox under controlled conditions and may not be achieved under other circumstances. Efficiency improvements will vary based on operating conditions and application.
